HARBIN HALL

A scenic view of a lake surrounded by forested hills. The trees on the right side of the lake are in full autumn foliage, showing shades of orange, red, and yellow. The water is calm and reflects the sky. In the foreground, there is a grassy slope leading down to the water. A wooden dock is visible in the lower right corner. The sky is blue with scattered white clouds.

We're coming back to Camp Loucon in 2024!
